Call for Papers

The *Journal of Applied English* is an international journal for publication of research in all aspects of English language studies and applied linguistics including teaching English as a second or foreign language (TESL and TEFL), English for a specific purpose (ESP) or an academic purpose (EAP), e-learning, various forms of immersion programs, language policies, corpus linguistics, testing, etc. It is a peer-reviewed journal published two times a year (in June and December) with a primary object to provide scholars, practitioners, and decision makers an avenue to share inquiry-based knowledge. We welcome papers that are newly developed with a qualitative or quantitative design or a combined one on topics in relevant areas. Submitted manuscripts are expected to be written in English and should not have been published in or under review with other journals. Once a manuscript is submitted, a rigorous process begins with the editors' initial analysis of its nature and quality, and then with the editors' approval two reviewers will be invited to review the manuscript and determine its publication.

- All papers should be submitted electronically via email. Each paper should be submitted in two formats: one file in Word without authors' names or affiliations and the other one in PDF format without authors' names or affiliations. A separate cover letter in Word should list the authors' names, affiliations, cellphone number, email address, work and home addresses. A brief biographical statement should also be included.
- All submissions should be single-spaced and accompanied by abstracts of no more than 250 words plus 4-6 key words. The typical length for submissions is 7,000–10,000 words. For all other formatting matters, please refer to the American Psychological Association (APA) style manual <http://apastyle.apa.org/>.
- We welcome submissions all year round.
- All correspondence should be sent to Editors of *Journal of Applied English* (mcudaejae@gmail.com).
