(五) 本學年期各年級修習學分上下限：**大一每學期不得少於 15 學分，不得多於 27 學分；大二、三每學期不得少於 15 學分；大四每學期至少於校內修習一門課；大學部延修生如需在籍該學期至少需修習一門課程。**依據本校學則第 43 條規定，如大四任一學期之總修習學分為 0，該學期不納入學期學業成績排名計算。

The maximum and minimum course credits for each grade level in the current academic year: **Freshman students must take no less than 15 credits and no more than 27 credits per semester. Sophomore and junior students must take no less than 15 credits per semester. Senior students must take at least one course in NTUE per semester. Undergraduate students extending their duration of study must take at least one course in the current semester to retain their student status.** In accordance with the provisions of Article XLIII of the NTUE Constitution, for senior students whose total course credit is 0 in any semester, the said semester will not be included in the calculation for semester academic ranking.

(六) 開課人數上下限及加退選限制：

Maximum and minimum number of students for the course and add-drop restrictions:

1. 大學部開課人數以 10 人為下限，50 人為上限；研究所碩士班 4 人為下限、博士班 2 人為下限，25 人為上限；通識課程 15 人為下限，50 人為上限。

Undergraduate courses must have a minimum of 10 students to offer the course and a maximum of 50 students. Master's program courses must have a minimum of 4 students and doctoral program courses must have a minimum of 2 students to offer the course, and a maximum of 25 students. General education courses must have a minimum of 15 students and a maximum of 50 students.

2. 加選：未達開課人數下限而停開之課程，或選課人數達開課人數上限之課程，不再受理加選。

退選：(1)本班之必修科目，除特殊原因（如學分抵免）外，不可退選。

- (2) **第二階段選課期間選課人數恰達或低於課程開課人數下限之課程仍可退選；開學後加退選階段選課人數恰達或低於開課人數下限之課程，不再受理退選，惟經授課教師及全體修課同學同意並理解該課程將因此停開者不在此限。如尚有退選課程需求者，請於第二階段選課期間於系統退選。**

Course add-on: Course add-on is not accepted for courses that are suspended due to not meeting the required minimum number of students, or for courses that have reached the maximum number of students.

Course drop: (i) Except for special reasons (such as credit transfer and waiver), required program courses cannot be dropped.

- (ii) **During Phase 2 of course selection, course drop is accepted for courses in which the number of students is equal to or less than the required number of students. During the add-drop stage after school has started, course drop will not be accepted for courses in which the number of students is equal to or less than the required number of students. However, courses in which the course instructor and all students in the course have agreed and understood that the said courses will be suspended as such are not subject to this provision. For students who need to drop courses, please go to the system to drop courses during Phase 2 of the course selection.**

- (七) 因大一新生尚未入學，故大一課程於舊生第一階段及第二階段選課期間暫不開放選課，大二以上同學如欲修習，請於開學後之加退選期間上網選課。

Given that new freshman students have yet to enroll, freshmen courses are temporarily closed to returning students during Phase 1 and Phase 2 of the course selection period. Students in their sophomore year or above who wish to take these courses may select the courses online during the add-drop period after school has started.

- (八) 全學年之科目，若是上學期不及格需於上學期重補修，若是下學期不及格則需於下學期重補修。唯為使重補修大三體育興趣選項之同學順利重補修，已於 100 學年度起取消大三體育興趣選項「如因成績不及格須重修者，需於次學年起相同學期重修」之規定。

For courses that extend over the entire academic year, those who fail a course offered in Semester 1 must repeat the course in Semester 1; and those who fail a course offered in Semester 2 must repeat the course in Semester 2. However, to allow students to successfully re-take their junior year physical education interest course, the stipulation that "those who fail a course and who must repeat the course shall repeat the course in the same semester of the following academic year" has been revoked for junior year physical education interest courses as of the 2011 academic year.

- (九) 依選課辦法第 6 條規定：「學生選課以在隸屬班級修習為原則，且以隸屬班級之必修科目為優先……。」故如為所屬系(所、學位學程)畢業要求之專門學分，學生應修習所屬班別所開課程，未經核准，不應自行於其他單位或班別修習。

In accordance with the provisions of Article VI of the Course Selection Regulations, "Students shall generally select courses according to their class, and shall prioritize taking required courses in their class..." Therefore, if the graduation qualifications of the student's department (institute, degree program) require special course credits, the student should take courses offered at their grade level, and may not take courses from other units or other classes without approval.

- (十) 本校已取消「提昇學生英語能力實施辦法」原規定之學士班學生英語能力畢業門檻(各系所如有自訂之畢業門檻，從其規定)，但仍鼓勵同學報考英語或其他外語能力檢定，提升自我競爭力。

NTUE has revoked the Student English Proficiency Improvement Implementation Regulations which originally stipulated the English proficiency graduation threshold for bachelor's degree students (for departments and institutes that have independent graduation thresholds, their requirements shall prevail). However, students are still encouraged to take proficiency tests for English or other foreign languages to increase their competitiveness.

- (十一) 訂有先修科目之課程，其先修科目未修習完畢者，不得選修後修課程。 **已修習及格及核准抵免之科目，不得重複修習。**

For courses with pre-requisites, students who have not fulfilled the pre-requisites are not allowed to take the courses and then take the pre-requisites courses. **Those who have taken and passed a course and are approved for course transfer and waiver may not re-take the course.**

- (十二) 選修輔系專班、學分學程專班及非師資生修習教育學程課程需另繳學分費，請同學留意。

Students should note that additional credit fees will be charged for programs in their minoring departments, credit course programs, and education program courses for non-teacher education students.

- (十三) 凡經核定修讀輔系及雙主修之學生，均請依本校學士班學生修讀輔系辦法及本校學生修讀雙主修辦法之規定辦理。

Approved minor or dual major students should proceed according to the provisions of the NTUE Undergraduate Student Department Minor Regulations and the NTUE Student Double Majors Regulations.

- (十四) 本校自 100 學年度第 2 學期開放同學申請停修課程起，每學期申請停修課程之人數及課程數皆持續增加，不僅影響其他同學選課權益亦影響上課品質，故 **請同學務必謹慎規劃選課，且申請停修課程務必慎思**。本校將視同學停修狀況檢討是否修訂現行「學生申請停修課程實施要點」。

Since NTUE allowed students to apply for withdrawal from courses in Academic Year 2011 Semester 2, the number of withdrawal applications and the number of courses withdrawn from in each semester have been increasing. This not only affects the rights of other students in their course selection, but also affects the quality of the classes. Therefore, **students should carefully plan their course selection and think carefully before applying to withdraw from their courses.** NTUE will be reviewing whether to revise the current Students Course Withdrawal Application Implementation Regulations according to the student course withdrawal situation.

1. 科目登記：(1)選課位置：iNTUE 校務整合資訊系統/線上選課/學生登記選課(第一階段)。

(2)進入選課頁面後，系統會呈現您的基本資料及所屬班級之課程。最上排為已登記選課清冊，為開課單位事先帶入之必修課程，請同學務必再行確認是否正確，如有缺漏請於選課期間自行加選，**入學時已辦理抵免之課程，務必自行上網辦理退選，選修課則請自行選修。**

(3)同一科目僅能擇一時段登記，如登記人數超過各科人數上限，則以亂數抽籤決定名單。但有特殊規定者，從其規定。

(4)本階段選課期間選課系統僅就是否衝堂、112 學年度第 1 學期(含 112 學年度第 1 學期)之前是否曾修習同名課程進行即時檢核；其餘之課程限修、擋修條件(先修科目是否及格、112 學年度第 2 學期修習之同名課程及格致重複修習等)將於第二階段選課結束後進行檢核，如有不符選課條件者，將於第二階段選課結束逕予刪除，**請自行衡量登記選課時是否登記已修習之同名課程或先修科目未通過之課程，並請留意選課結果之公布。**

Course registration: (i) Conducted on the course selection system: iNTUE →Online course selection → Student registration & course selection (Phase 1)。

(ii) After entering the course selection page, the system will display your basic information and the courses in your class. The top row is the list of courses already registered, which are required courses set in advance by the course offering units. Students are reminded to confirm whether their course list is correct and add any courses that have been omitted during the course selection period. **For courses that have been transferred and waived at the time of admission, students must go online to drop them. Students should also select their own elective courses.**

(iii) Only one class period may be selected for the same course. If the number of registrations exceeds the maximum number of students allowed in a course, the student list will be determined by a randomized lottery. However, for courses with special regulations, the regulations will prevail.

(iv) At this Phase of the course selection period, the course selection system only conducts real-time inspection for conflicting course schedules, and whether students have already taken courses with the same course titles prior to Semester 1 of Academic Year 2023 (including Semester 1 of Academic Year 2023). Other conditions, such as course restrictions and course blocking (whether the student has passed the pre-requisite courses, already taken and passed a course with the same course title in Semester 2 of the Academic Year 2023 and hence will be repeating the course, etc.) will be inspected at the end of Phase 2 of the course selection. Selected courses that fail to meet course selection conditions will be deleted at the end of Phase 2 of the course selection. When registering and selecting their courses, **students should check whether they have previously taken courses with the same course title and whether they have met the course pre-requisites, and check the announcements for their course selection results.**

(v) **Based on the results of the Academic 2020 Semester 2 school-wide student opinion survey on adjusting the course selection system, about 89% of the students who responded to the survey agreed that during Phase 1 of the course selection, the selection of education program courses should be limited to teacher education students and education program students. Therefore, as of Semester 1 of Academic Year 2021, education program courses will only be open to students who have been qualified for teacher education and education programs during Phase 1 of the course selection.**

2. 志願填寫：(1)選課位置：iNTUE 校務整合資訊系統/線上選課/日間學生志願登錄(第一階段)。

(3)所填志願於本階段選課結束後，由選課系統之電腦程式依選課條件檢查，如有不符選課條件者，將逕予刪除，請留意選課結果之公布。

(4)前一學期修習之課程，因該課程成績於本階段選課期間尚未公告，系統無法即時檢核是否已及格，請同學自行斟酌是否於本學期再次填寫同一課程之志願序，如因此而再次抽中該課程，於第二階段選課結束系統檢核該課程成績及格，本學期抽中之該課程將逕予刪除，請同學另行選修其他課程。

Course preferences:(i) Conducted on the course selection system: iNTUE →Online course selection → Student preference login

(ii) Applicable only to sports interest courses.

(iii) At the end of this course selection stage, course preferences will be checked against course selection conditions by the computer program of the course selection system. Selected courses that fail to meet course selection conditions will be deleted, so students are reminded to check the announcements for their course selection results.

(iv) **Since the course grades of courses taken in the previous semester are not yet announced during this stage of the course selection, the system cannot provide real-time inspection of whether students have passed their courses. Therefore, students should decide whether to keep their preference order for the same course for the current semester. If the said course is successfully selected, the system will inspect the course grade at the end of Stage 2 of the course selection. If the student has passed the course and successfully selected the said course for this semester, the course will be deleted, and the student should select other courses.**
